MUSCARIA

Colección de textiles para confeccionar cualquier producto decorativo de cama como cojines decorativos, rodapiés, almohadones, así como cortinas y tapicería, con la característica particular de diseños coloridos, modernos y una composición de 100% poliéster.

INDIE FOLK

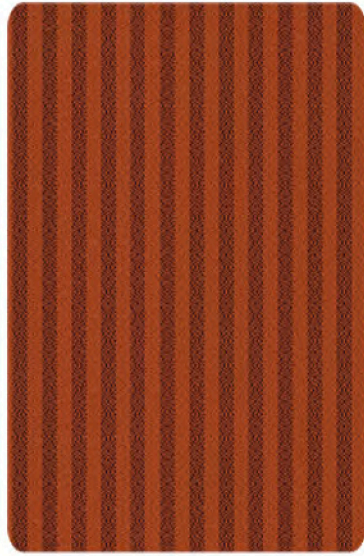

Bajo el tema de la música Indie Folk misma que hace referencia a lo acústico - country, esta colección se define por su esencia étnica, donde se percibe la exploración de emociones mediante el juego de una misma figura geométrica. Inspirado en el estilo hipster/vintage estos textiles tienen como base melódica/rítmica los triángulos.

Derivando en diversos patronese que unifican un concepto de "narraciones o historias", como su nombre lo indica Indie Folk: bajo un tema en específico narra lo tradicional étnico, pero lo transmite con un toque independiente.
