

KYMA

Colección 2015

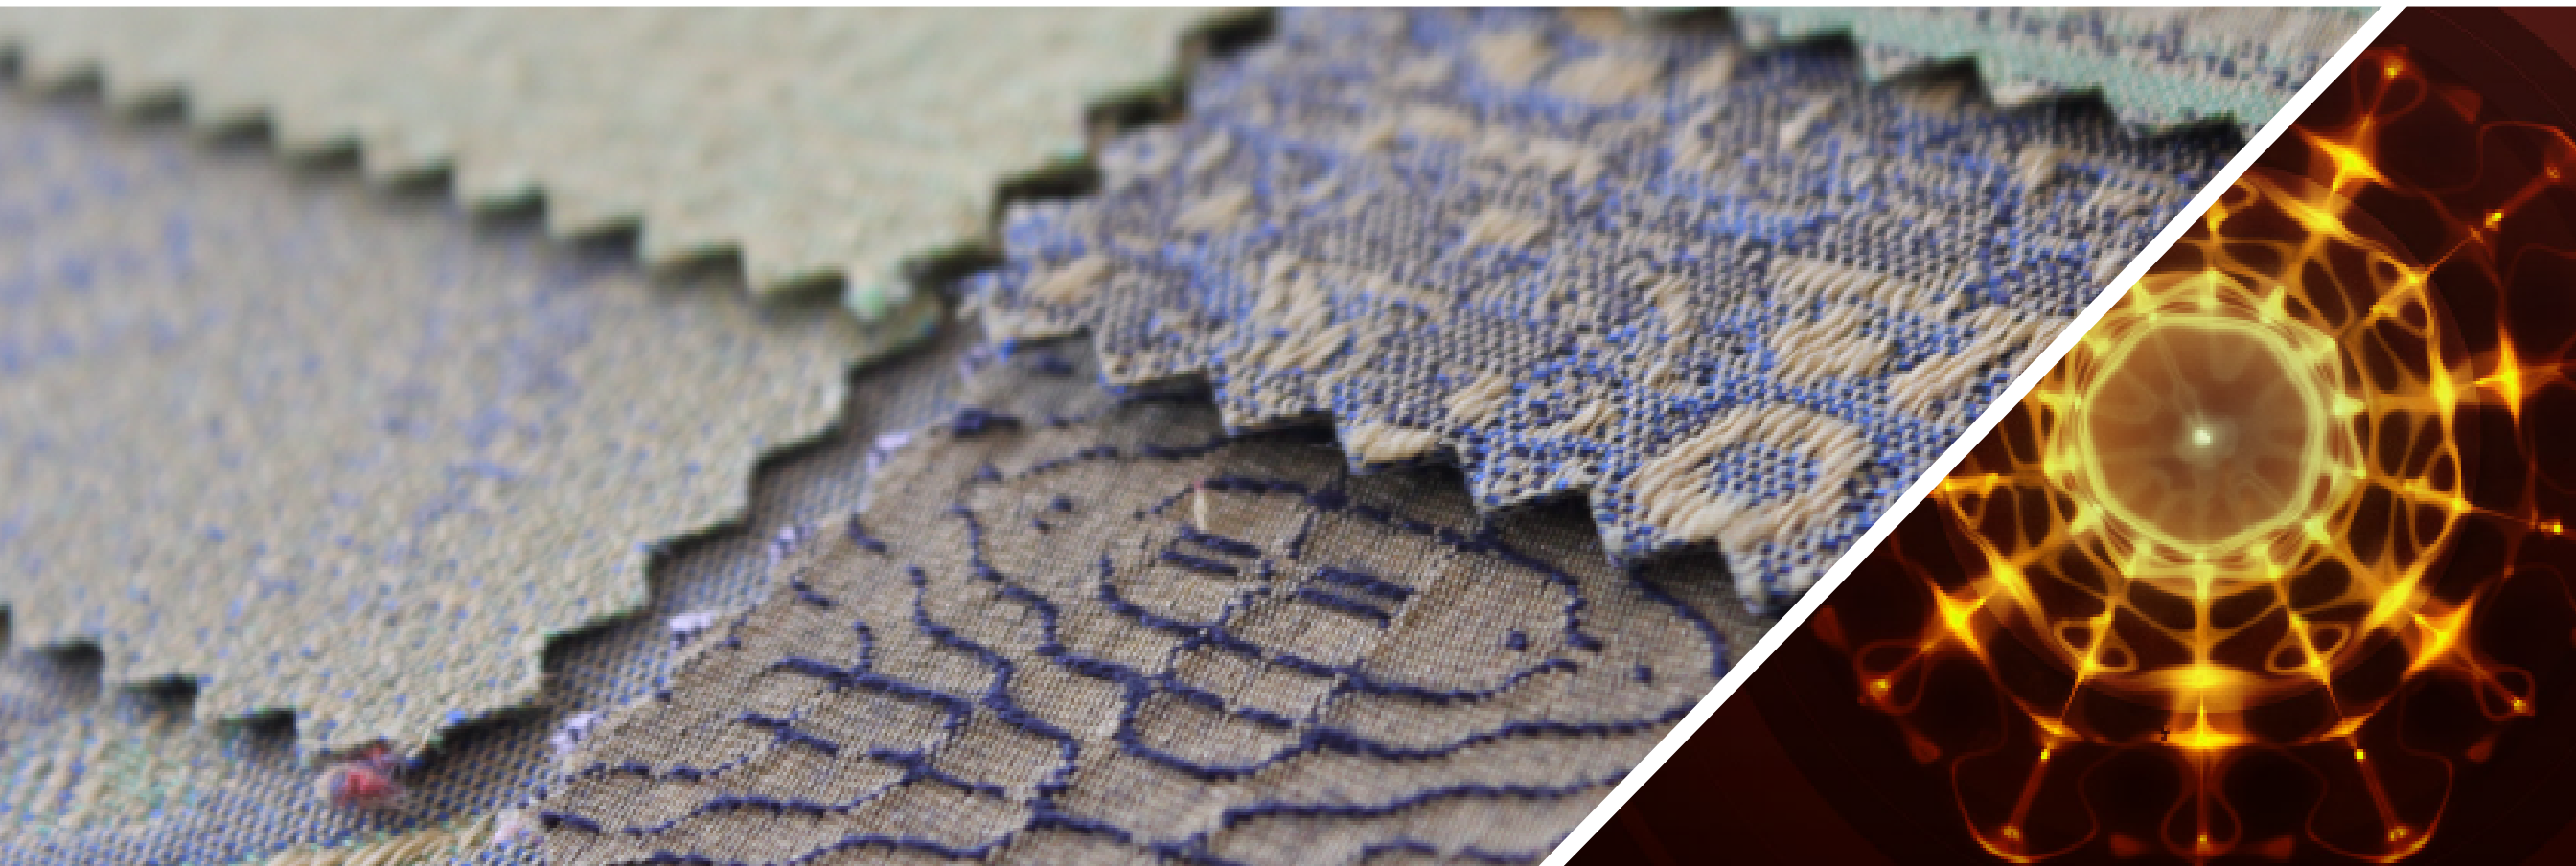

DUES®

Colección de jacquards 100% poliéster.

La ventaja del tejido Jacquard es que cumple con las demandas de áreas de alto rendimiento y está diseñado y armado para una gran durabilidad.

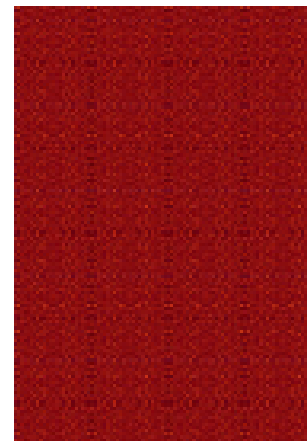

KYMA - *Amanecer*

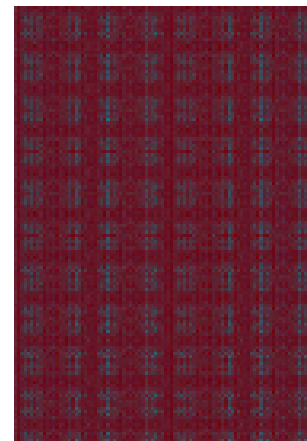

Gracias a su composición en poliéster obtiene los beneficios de que no encoge ni estira, seca rápidamente, resiste a las arrugas y al moho.

KYMA - *Lunar*

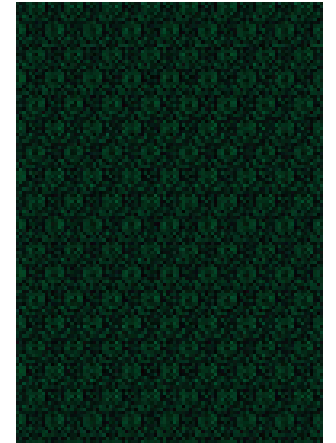

Un concepto que subraya la importancia de la tendencia actual de materializar lo sutil, lo etéreo, lo tecnológico.

KYMA - *Amarillo*

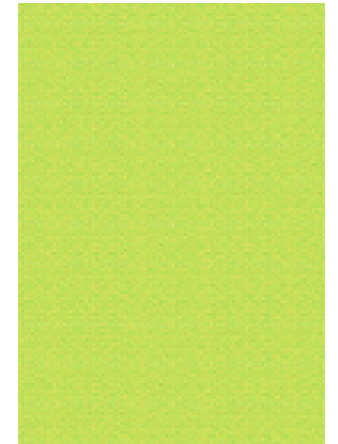

Así los hilos logran representar sonidos de diversas músicas y frecuencias.

KYMA - *Ladrillo*

Las formas que se generan de manera natural, atrapan los sonidos y los convierten en elementos visuales.
