DUES®

Colección de mood nostálgico inspirada en décadas pasadas donde se rescatan elementos, texturas y color para ser reinterpretados en un mundo actual globalizado abarcando desde los años 20's hasta los años 70's donde el abanico de estilos en su mayoría se centró en la geometría y el color.

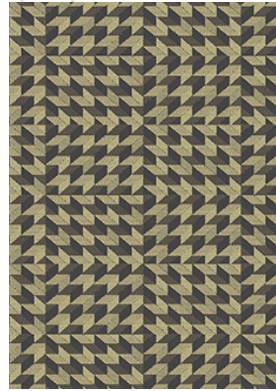

Desde la BAUHAUS en arquitectura, las vanguardias artísticas como El Cubismo, el Pop Art y finalmente el Op Art.
